## EDUCATION

**Bachelor of Science in Environmental Science**  
Florida State University (FSU), Tallahassee, FL

**December 2021**  
Overall GPA: 3.6

## TECHNICAL SKILLS

Technical Skills: **ArcGIS, R-Programming, MatLab, Microsoft Excel**

## LANGUAGES

**English, French, American Sign Language**

## PROFESSIONAL EXPERIENCE

**Environmental Science Intern**, Coastal Plains Institute, Crawfordville, FL

**August 2020 – April 2021**

- Collected and analyzed data conducted on various field reports on ephemeral wetlands to restore and create a self-sustaining the Striped Newt Salamander population in the Apalachicola National Forest.
- Managed incoming data and photos for the social media platforms.
- Assisted in non-profit organizational support to promote the Adopt and Ephemeral Wetlands Programs by recruiting and communicating with members.

**Sales Associate**, Target Corporation, Tallahassee, FL

**July 2020 – September 2020**

- Provided excellent customer service while on the selling floor, fitting room, and front end that created a welcoming experience.
- Stocked and replenished merchandise when necessary to provide a clean and organized shopping environment.
- Recommended, selected, and helped locate merchandise based on customers' needs and desires.

**Assistant Coach**, FSU Flying High Circus, Tallahassee, FL

**June 2019 – August 2019**

- Coached and trained over 75 kids ages 7-17 in aerial arts and trapeze for weekly circus performances.

## RELEVANT COURSEWORK

**FSU Environmental, Oceanography, and Geology Department**

**Geographic Information Systems (In Progress)**

**January 2021 – April 2021**

- Developed an understanding of GIS topics, including locational control, spatial data structures, modeling and analysis, and future trends in decision support, sensors, and geographic methods using ArcGIS.

**Environmental Science Senior Capstone (In Progress)**

**January 2021 – April 2021**

- Gained unique and hands-on field work experience with using a variety of field methods and tools such as differential leveling, land surveying, and analyzing basic soil and water samples.

**Spatial Data Analysis**

**August 2020 – December 2020**

- Focused on the quantitative analysis of geographic data using R-Studio to solve problems and model data.

## LEADERSHIP EXPERIENCE

**Performer**, FSU Flying High Circus, Tallahassee, FL

**September 2018 – April 2021**

- Performed aerial in 9 shows in front of audiences of 1000+ people, rigged equipment safely, assisted in fundraising and show promotion, and contributed to various team activities throughout the year.

**Ambassador**, Garnet and Gold Goes Green, Tallahassee, FL

**August 2018 – May 2019**

- Lead groups of 50+ volunteers to collect recyclables at sports events in Tallahassee.
- Promoted recycling to volunteers and people attending the games.

**Eco-Representative**, FSU Sustainable Campus

**September 2018 - May 2019**

- Developed and managed environmental-focused events for over 800 students living on campus.
- Promoted environmental awareness at each event to ensure they were eco-friendly.
